

NOMINATE YOUR FAVOURITE FACULTY MEMBER STAFF MEMBER

The GSA is now taking nominations for Faculty Member of the Year and Staff Member of the Year awards, to be presented at the annual GSA Wine and Cheese in November. If you know faculty and/or staff members who work hard to improve the graduate student experience at UPEI, who have been extraordinary teachers, lab assistants, or supervisors, and who have not won the award in the last three years, please submit their names and a brief (max. 150 words) paragraph about why they should receive this award to gsa@upei.ca with “GSA Awards” in the subject heading.

Nominations will close at midnight on November 10, 2014, following which graduate students will be given information about the nominated candidates and be asked to vote for their choice of faculty and staff member of the year.

For more information and details about the upcoming Wine and Cheese, watch for posters, the GSA Facebook group, and e-mails!
