About the artist: Anisha Rajaselvam is a 12 year old grade 8 student at Sacred Heart School of Halifax. When she was 9, her mother was diagnosed with cancer and went through surgery, chemo and radiation. During this time, she found a way to make her mom smile; her art. Every time her mom got back from the hospital, there was a new painting waiting for her. This is a sample of her art.

THANK YOU for your support!
