## Youth in the Digital Age

Paradox, Promise, Predicament

Edited by **Kate C Tilleczeck**, University of Prince Edward Island, Canada and **Valerie M Campbell**, University of Prince Edward Island, Canada

*Series: Youth, Young Adulthood and Society*

Digital and social media are ubiquitous in the lives of young people, to the point where they are an accepted part of the social and cultural landscape. But how do youth make meaning of their technologically mediated lives? This book proposes answers from an interdisciplinary view of youth and the digital age. It provides a clearer understanding of the opportunities, tensions, and contradictions that young people must negotiate in the digital age.
